

JULY 14-31, 2022

Belgium and Northern Europe

Gems of the Baltic

A land of crumbling castles, enchanting forests and magical medieval towns – a trip to the Baltics proves that fairy tales do come true. From Tallinn's storybook turrets to the colorful onion-shaped domes in St. Petersburg, Europe's northern region is full of history, legend and wonder. Join us this July aboard the newest Princess ship, the lovely Sky Princess.
